

Piano Piece Inventory: Ruhama Kabir

Name of piece: Jingle Bells

Key signature: C major

Time signature: 4/4

Beginning hand position (right and left): Right hand - thumb on c (treble clef) Left Hand - thumb on g (bass clef)

Range of notes on right hand: From Middle C to G on the treble clef

Range of notes in left hand: From C to G on bass clef

Accidentals: None

Tempo: No specific tempo, just to be played brightly

Places where the hands shift positions: shift at measure 9 where we go an octave up on the right hand

Are any measures repeated (either right away or somewhere later in the piece): Measures 9 -15 are a repeat of measures 1- 7 just an octave higher

Patterns you notice in the melody: There are a lot of repeated notes followed by skips

Patterns you notice in the accompaniment: You are always playing the same chord it's just a matter of which note you are hitting or which notes you are hitting together

Measures/beats where the hands move at the same time:

Do they move in the same direction or in different directions? - most of the time just your right hand is moving while the left will play a chord on two measures then not on then have a measure of rest and then do something else with that chord

Do they have the same rhythm? - the rhythm is different for the right and left. Most times your right hand is playing quarter or half notes while the left hand plays more whole notes

Dynamic markings (what are they and where do they occur): forte at measure 1, mezzo forte at measure 5, forte at measure 9, and mezzo forte at measure 13

Articulation markings (what are they and where do they occur): Measures 6, 7, 14, and 16 - all have accents, Measures 3, 6, 7, 8, 11-12, and 14 - all have slurs in them

Tempo changes (ritardando, accelerando): No tempo changes
